FORTY BLOODY YEARS

"Once Upon a time, A Chicago ex-pat named Scott decided he wanted to have a B-day party in Vegas with a big-name act of a preferred genre so he called his good Pal Tony. Tony called his good pal Glenn who called his good pal Morpheus. The four of them set out with reason, resources, connections and production know how to make it happen. What they created became a cathartic final 2023 show and final 40<sup>th</sup> Anniversary show for the legendary **NITZER EBB** in an intimate club with about 130 hand picked fans, friend and family. This, our friends and fans of Industrial music is how magic memories are made."- Scott Likens, Tony Duffy, Glenn Dehmer and Morpheus Blak
